

RHODES SPRAY BOOTHS

"DESIGNED BY PROFESSIONALS FOR PROFESSIONALS"

RHODES SPRAY BOOTHS

Rhodes offers a complete line of Spray Booths from standard open face models to custom on-floor downdraft designs. Rhodes Spray Booths deliver the performance you expect at a cost you can afford.

All Rhodes Spray Booths are available with options such as filtered intake air, heated make-up air, on-floor or in-floor, downdraft designs and white powder coated finish on the booth enclosures.

Rhodes Spray Booths are designed to be used on new or existing Tow Line or High Line applications.
